

How to List a Stallion for Breeding

American Paint Horse Association

Mailing Address: P.O. Box 961023 ♦ Fort Worth, Texas 76161
 Physical Address: 2800 Meacham Blvd. ♦ Fort Worth, Texas 76137
 (817) 834-APHA (2742) ♦ Fax (817) 834-3152
 www.apha.com ♦ askapha@apha.com

Stallion Listing

- ♦ Listing a stallion serves the purpose of declaring your intent to breed him. Whether your stallion is a registered American Paint Horse, a Quarter Horse or a Thoroughbred, there is a \$75 stallion listing fee due when the first stallion breeding report is filed. This a one-time fee to list a stallion as an eligible sire for his lifetime.
- ♦ If the stallion is a Quarter Horse or Thoroughbred, a copy of the front and back of the AQHA or Jockey Club registration certificate showing the recorded owner at the time of breeding and the pedigree/bloodlines is required.
- ♦ Should you sell the Quarter Horse or Thoroughbred stallion, the new owner will need to refile the listing card (at no additional charge).

Authorized Signers

- ♦ Only the signature(s) listed will be authorized to sign documents on the behalf of the individual or entity listed above. These signatures will be recorded as authorized agents for the listed stallion only, and will remain valid until terminated by the recorded owner or the stallion changes ownership. Signature in the ownership section does not mean authorization unless also listed in this section.

Ownership

- ♦ If the stallion is owned by a ranch, partnership, or entity, print the name and address of all partners. Each partner must sign indicating they agree the persons listed are authorized to sign on their behalf.

Other Items Necessary

- ♦ **Stallion Breeding Report**—You must submit a Stallion Breeding Report each year you breed the stallion. (See rule RG110). You may file your Stallion Breeding Report online at aphaonline.com.
- ♦ **DNA Genetic Testing**—All breeding stallions must be DNA genetic tested. To request a DNA genetic test kit for your stallion, contact the APHA Field Services representative. If a stallion's DNA genetic markers are already on file with an APHA-approved laboratory, it may not be required again if the owner of record provides APHA with a copy of the genetic markers.

Membership

- ♦ If you do not have a current membership with the Association and wish to take advantage of member rates, you may purchase a membership at this time. Membership rates will then apply to this transaction and any others post-marked during the membership period. Memberships will consist of a 12-month period beginning in the same month as the request for listing is postmarked.
- ♦ For more information, please call Customer Service at (817) 222-6423 or email askapha@apha.com.
- ♦ Fees subject to change without notice.
- ♦ An office processing fee of \$10 will be charged on all registration work not processed to completion.
